

This message is being sent to all Great Plains adult members, affiliated with a junior program, as a service from the Great Plains Region.

Fellow Junior Program Board Members and Junior Affiliates-at-large:

The Junior Program Board (JPB) will meet on Sunday, August 17th to discuss the Junior Program Budget, schedule, and other items. The meeting will take place at Mahoney State Park Lodge and will begin at 9:00 am. All members of the Great Plains Region are invited and encouraged to attend.

As of today, and for the coming season, the JPB will consist of the following 14 members:

Greg MacLean, Vice President

Debi Godek, Secretary

Randy Hansen

Deb Grafentin

Matt Bassett

Tony Carrow

John Spaustat

Paul Wright

Mike Godek

Julie Studnicka

Mike Brodersen

Korrine Schuster

Shelli Mohnike

Laurel Derry

Our JPB Administrative Manual calls for a regular meeting to be held approximately the second week of August. A formal agenda will be prepared and forwarded to you later this week. The agenda will include a discussion of the Junior Program budget for the coming season and a recommendation to the BOD. Staff will provide all available schedule information so we may begin our planning activities. We will also provide more detailed information related to the JPB election status and answer any questions you may have.

While these are the primary items to consider, we will also entertain other discussion and action topics as presented. If you have agenda items that you would like to consider, please contact me or JPB Secretary Debi Godek directly.

We're excited to get busy planning the upcoming season and I hope to see you on Sunday!

Respectfully Submitted,

Greg MacLean

Vice President, Junior Program Board

Great Plains Region of USA Volleyball

Lincoln, NE 68516

Mahoney State Park is located at exit 426 on I-80. Upon arrival at the park, you must stop at the guard shack for proof of a park permit. If you do not have one, tell them you are there for a Great Plains meeting and they will write your name on a list and the region will cover the cost of your park entrance fee.
